Subject. Pension to Venkatachalaya late Holti Schoolmaster Mallipatna Arkalgud

Letter No. 9642/391 d. 30th Apr. 1904 from the D. G. of Education

Venkatachalaya first entered Govt. Service on the 27th Feby 1869 as Holti Schoolmaster at Rudrapatna Arkalgud Taluk and was dismissed ~~the Service~~ in September 1878 He was ~~then~~ afterwards employed as Schoolmaster in Coorg from the 16th April 1882 to the 9th July 1887 when he resigned his appointment as the climate did not agree with him. He thereupon entered the Mysore Service on the 1st April 1889 and retired therefrom on the 28th Jany 1903 The Service rendered prior to 1st April 1889 was omitted under the provision of art. 270 of the Mysore Service Regulations and for the Service rendered subsequent to that date, the Comptroller recommended the payment of a pension of Rs 1-8-? per mensem

Meanwhile Venkatachalaya addressed

addressed a petition to Govt pray
-ing that his Service prior to
1st April 1889 might be counted
towards pension. The petition was
forwarded to the D Gl of Educa
-tion for favour of opinion and
report The D Gl reports that
Venkatachalayya was dismissed
the Service in 1878, that the cir
cumstances under which he
was dismissed, cannot be
ascertained that when he was
appointed in the year 1889, nothing
was stated in the Education
Secys order appointing him about
about the past Service being
counted towards pension, that
Venkatachalayya too, did not
then pray for the concession and
states that in these circumstances
he regrets his inability to recommend
that Service previous to the
Master's dismissal in 1878 may
be counted towards pension
Subt forwards with a draft order
sanctioning the pension reported on by
by the comptroller for endorsement
of the petitioner

DW

What pension would he get
if the previous Service be added?

DW
10/5/04

The previous service consists of

(1) 9-7-0 in Mysore

and

(2) 5-2-24 in Coorg

If (1) alone be added to the present recognised service of Rs 13 years odd, he would be entitled to a pension of Rs 3-13-4 per mensem, subject to the verification of the service vide (1)

If (2) also be added, treating it as rendered in Mysore, he would be entitled to a pension of Rs 5/-

This is out of question -

DB

Venkatachellayya's Mysore Service of 9 years & 7 months prior to 1878 may be counted towards pension in which case he would be entitled to a pension of Rs 3-13-4 instead of Rs 1-8-3 as now calculated by the Comptroller.

The case falls under 11 Article 275 of the Mysore Service Regulations

DB
14/5/04

If the service rendered in Coorg be left out of consideration (as it ought to be), the

the break between the two periods of
Mysore service is nearly 11 years,
a very long period to condone.
Further it appears that the applicant
was dismissed the service in 1878
"with forfeiture of the pay that remained
undisbursed to him", which shows
that the applicant must have
committed some serious fault
Under Art 270 (a) of the Regns,
~~service forfeited~~ dismissal
entails forfeiture of past service.
The present Insp Genl (Mr Bhabha)
says in his letter 9642/391 d 30 Apl 1904
that he regrets his inability to recommend
that service previous to the maxtrs
dismissal in 1878 may be counted
towards his pension

Taking all these circs into consideration
it appears that the Petrs prayer
cannot be granted A draft order is
subd for appl

If however the Govt are inclined
to take a lenient view of the matter,
the break may be condoned under the provisions
of Art 270 (ii) of the Regns

When Venkatachalayya was entertained in the Mysore Education Department in April 1889 nothing was stated in the Education Secretary's order appointing him about the first service being counted towards pension, nor did he apply for the concession now sought by him. A copy of the order so enclosed herewith. Moreover in the service schedules prepared and sent by him year by year 1st April 1889 was entered by him as the date of his first appointment. All along he was treated as one appointed for the first time in April 1889. Consequently his pension papers were prepared in accordance with Article 270(a) of the Mysore Service Regulations

3 Under the above circumstances, I regret my inability to recommend that service previous to the master's dismissal in 1878 may be counted towards his pension

I have the honor to be,
Sir,
your most obedient servant
